17 Our bubbles

Whatever, let's get this over with.

Where are the instructions?

How dry!!

Here, I bought this.

For a bubble bath.

Huh!? But there's no foam!?

No...

They don't sell foam so I got powder instead.

So it's like bathing powder.

Seriously...

What influenced you this time?

Something so unnecessary...

They had it in the movie I watched today!

Put the powder in a small amount of water and stir...

Use the shower on it for two minutes...

It's without a doubt the dream of every maiden!!

I can't see any maidens here.

↑Pretty Woman

gya~ so cool~

Go ahead.

H-hey, can I go in!!?

Yeah, it's amazing!

Oh... Amazing...

There really are bubbles appearing...

ぽしゅっ

Ah, wait! I wanna watch a little more!

This should be enough.

I'm going to fill the tub so let's close the lid.

You can look more later.

ぽしゅ

ぽしゅ

ぽしゅ

No.

You can't open rice until it's finished either, right?

Hey... can I open it?

It's a shame not to use it.

It sort of feels like a shame to open a hole.

Baths are not rice!!

ぽかっ

Some minutes later

Yes!

It's light...

and thick against my skin,

plus is smells so nicely of roses!

How is it?

Does it feel like foam?

Hya~~~~!!

It feels fluffy and nice

.....he's becoming a lady.

A little predictable

Well, whatever.

Have fun.

one batch's enough

Eh!?

By the way, a bubble bath doesn't have bubbles in the bottom, does it?

it's just on the top

Isn't it because it's a pain making a lot of foam?

I've heard foam can help the water keep heat just like a lid, but what do you think?

Hm~

Dunno!

Get in, Tatsumi!

It's your first time, right!?

As if I want to get in a maiden smelling bath like this!

don't drag me into it

Ah!

But

I think my skin's become really smooth!

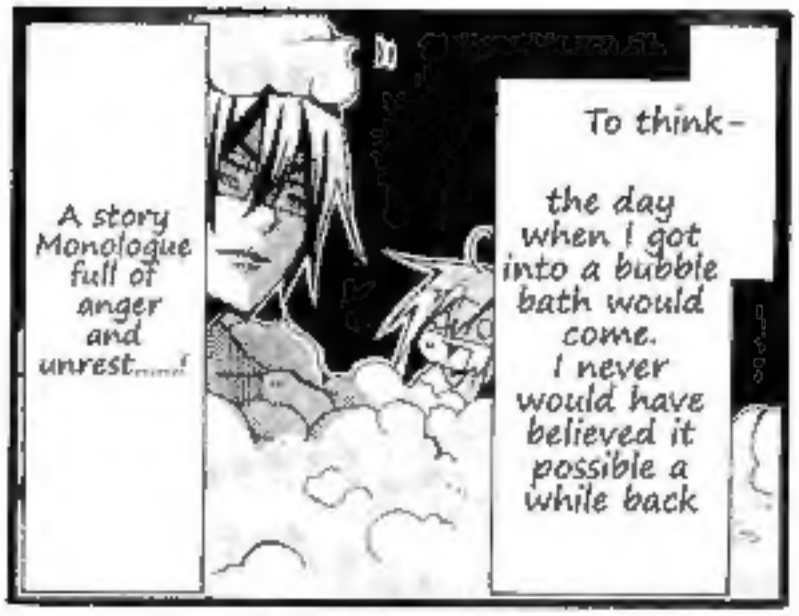
what'll you do if you get more slippery than you already are?

hyaluronic acid with roses is amazing!

.....

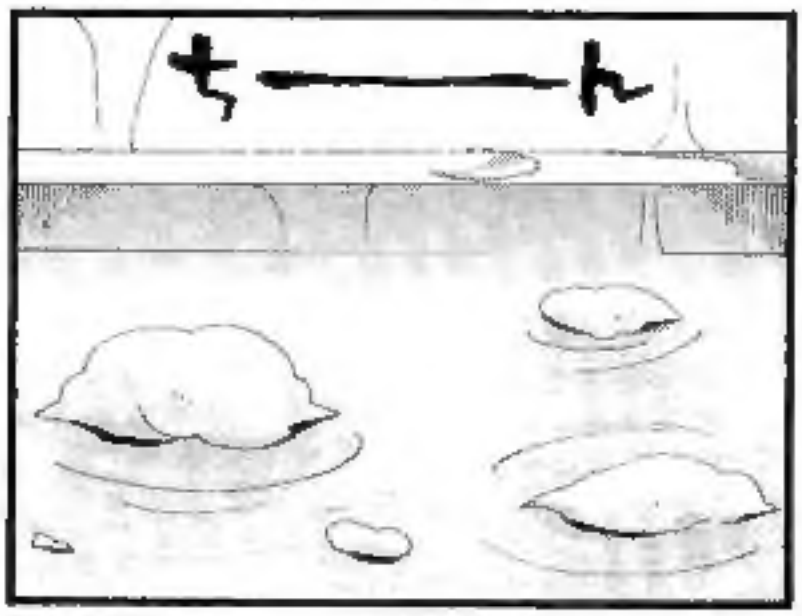
I-isn't it a waste too to use it alone...!?

※: it's easy to get slippery so be careful.



A story Monologue full of anger and unrest.....!
To think-
the day when I got into a bubble bath would come.
I never would have believed it possible a while back

ポちょ!
Look!
You can only enjoy yourself once you've gotten in!



ちーーーん

That's right.

Maybe we were a bit too wild.
Don't talk about it.
And the soldiers after the dream?
it's just soggy...
...the foam...
Disapp-eared....
I'm already all grown up, what am I doing...

Hahahah!
I will perfectly Block & Counter that!!
※
They are both mature adults.
I'll make you fluffy too!
Now, don't hold back.

I wanted to play more but there's so little foam left...
boring...
Tatsumi left...
